

One Day Theory-cum-Practical Energy Conservation Awareness Workshop

The Electrical Engineering Department of Atmiya University organized a "One Day Theory-cum-Practical Energy Conservation Awareness Workshop" on October 17, 2024. Sponsored by GEDA, the workshop attracted a total of 107 participants from various colleges. The event aimed to raise awareness about energy conservation techniques through both theoretical presentations and practical demonstrations. Participants engaged in discussions about sustainable energy practices, learned about the importance of energy efficiency, and explored innovative solutions to reduce energy consumption. The workshop fostered collaboration and knowledge sharing among students and faculty, promoting a culture of sustainability in the community.
