Stakeholder: Alumni

Action Taken Report based on Alumni's Feedback

Faulty: Science

Department: Chemistry

Sr. No.	Suggestions	Action Taken
1	Filed project should be industrial oriented and minimum 30 days in UG.	A suggestion of stakeholder is appreciated and will be implemented for UG curriculum.
2	Sophisticated instrumental training should be arrange for PG.	In each year, we organize demonstrations of all the sophisticated instruments available at the university. Additionally, we arrange field visits to explore other advanced instruments.
3	In last semester of PG, encourage student to do dissertation or research project in industry for exact understanding of industry problems & it's working.	We have already established some linkages with industries that offer dissertation or research projects for postgraduate students.
