Action Taken Report based on Parent's Feedback for AY 2022-23

Faulty: Science

Department: Microbiology

Sr. No.	Suggestions	Action Taken
1	The overall feedback from Parents of last semester's undergraduate, graduate, and PGDMLT students have been good (4.2 out of 5).	No action required
2	The department of microbiology should offer more career guidance and placement advice to support the students.	Established a placement cell, organized monthly career counseling sessions, and conducted workshops starting from next semester.
3	The department may think about to add few skill based start-up training and projects.	Already introduced skill-based start-up training and research project as part of curriculum.

Action Taken Report based on Parent's Feedback of AY 2022-23

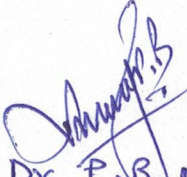

Faulty: Science

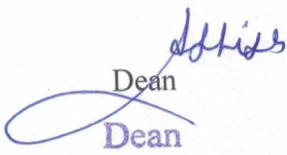

Department: Chemistry

Sr. No.	Suggestions/Observations	Action Taken
1	The overall feedback received from the parents of postgraduate students has been excellent. (More than 4.5 out of 5)	No actions are required.
2	The overall feedback received from the parents of under graduate students has been very good. (3.8 out of 5)	The department will strive to address the needs of parents based on student progress and aims to achieve an excellent record in the coming years.
3	Increased opportunities for undergraduate students to engage in research projects or internships or skill training would be highly beneficial.	Starting from the 2021-22 academic year, internships, field projects, and minor projects have been integrated as core components of the undergraduate curriculum.

Action Taken Report based on Parent's Feedback of AY 2022-23

Faulty: Faculty of Science

Department: Industrial Chemistry

Sr. No.	Suggestions/Observations	Action Taken
1	Concerns have been raised about the need for good outdoor games facilities on campus	Action will be taken for the establishment of good outdoor games facilities on campus
2	Parents are satisfied with the holistic development of students due to the inclusion of a human values subject in the curriculum and have also suggested arranging a human values workshop for the community.	A human values workshop has also been arranged for students as well as for the community, focusing on harmony within the self, family, society, and nature.

Action Taken Report based on Parent's Feedback (2023)

Faculty: Faculty of Business and Commerce

Department: Commerce

Sr. No.	Suggestions	Action Taken
1	Parents have given good feedback which is above 4 so there is no need for the actions to be taken.	The feedback from parents has been very positive, consistently rating above 4. Therefore, no further action is required at this time, as the current efforts are meeting expectations and satisfying parents.
2	Parents value a university that fosters a supportive and inclusive environment, where students feel safe, encouraged, and motivated to succeed. Parents wish that this environment should be continued in the university.	Parents have expressed their satisfaction and wish to ensure that the high standards currently maintained by the university continue. This positive feedback underscores the effectiveness of our existing efforts and highlights the importance of sustaining these standards in the future. Therefore, no further action is required at this time.

Action Taken Report based on Parent's Feedback

Faulty: Faculty of Engineering and Technology

Department: Electrical Engineering

Sr. No.	Suggestions	Action Taken
1	Assign greater emphasis on the practical aspect compared to the theoretical.	Practical courses are included in the curriculum structure.
2	Encourage students to pursue higher education abroad for improved career prospects.	Organized an expert session on international careers for enhanced opportunities.
3	Students have less concentrated on research development	In this region, students are more interested on entrepreneurship and new start-up.
4	Focused more on internships and training for students in their final year.	Training/project/internship included in ultimate year of course syllabus.
