Action Taken Report based on Feedback Report

Academic Year: 2019-20

(M.Sc. semester 3)

Faulty: Science

Department: Microbiology

a) Based on Students Feedback on Course

Sr. No.	Important Observations from Feedback Report	Action to be Taken	Due date	Person Responsible	Remarks
1	Over all response is quite satisfactory which is being observed in terms of course content, course delivery in the present semester. However, some students who feel certain topics could be covered more broadly, and special revision of few course contents also noted.	The curriculum committee (BoS members and concerned faculties) would also undergo the revision of the course content, outcome component to better facilitate the topics.	Upcoming & Current semester	Respective subject teachers, BoS members,	Action was taken by proposing the changes or required modification as suggested by the students to the BoS and needed action was taken as far as curriculum concerned.

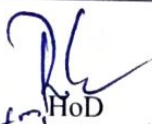

b) Based on Students Feedback on Faculty Member

Sr. No.	Important Observations from Feedback Report	Action to be Taken	Due date	Person Responsible	Remarks
1	A good response observed	More communicative	4	Respective	Will be

	<p>in terms of faculty interaction, classroom pedagogy, course outcome assessment by the students response. A room is also there for revision to incorporate better reflection in content delivery and examination outcome.</p>	<p>and interactive teaching learning tools, special lessons delivery can be adapted with few course, old question paper solve can be taken as effective steps .</p>	<p>months</p>	<p>subject teachers</p>	<p>taken care in next semester</p>

Action Taken Report based on Feedback Report

Academic Year: 2019-20

(PGDMLT semester 1)

Faulty: Science

Department: Microbiology

a) Based on Students Feedback on Course

Sr. No.	Important Observations from Feedback Report	Action to be Taken	Due date	Person Responsible	Remarks
1	A satisfactory level clarity in both theoretical and practical aspects of subjects, and with that the relevance of what's being taught aligns with societal and scientific demands. Efforts toward teaching and learning are fairly befitting as observed.	The content will be reviewed in ensuing BOS (by Faculty members and BoS with relevance to current demand). The curriculum remains relevant and up-to-date with industry standards to best prepare students for their future careers. Integrating content updates that align with both industry trends and students' academic needs can greatly	Upcoming & Current semester	Respective subject teachers, BoS members,	Action was taken by proposing the changes or required modification as suggested by the students to the BoS and needed action was taken as far as curriculum concerned.

		enhance the educational experience.			
--	--	-------------------------------------	--	--	--

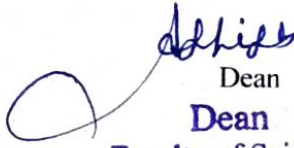

b) Based on Students Feedback on Faculty Member

Sr. No.	Important Observations from Feedback Report	Action to be Taken	Due date	Person Responsible	Remarks
1	A good learning ambience found to be observed by the feedback.	Learning content of the few courses will be discussed under remedial sessions for slow learners.	4 months	Respective subject teachers	Will be taken care in next semester
